

Request for Waiver of California Driver's License Requirement
(To be completed by the Authorized Signer)

Please complete the form below, filling in all requested fields, and provide a copy of the employee's out of state driving records (dated within the last 30 days). For additional information regarding drivers license requirements, please review 13-04-AOB, California Driver's License Requirement for Driving on Airfield Operations Area (AOA).

The Applicant identified below requires driving privileges but is not in possession of a valid California Driver's License:

Applicant Name: _____

UPID Number: _____

Company: _____

Current Driver's License Information*:

State: _____

Number: _____

Expiration Date: _____

Nature of duties for which employee requires driving privileges:

How often will the employee be driving on the AOA: _____

Start date of assignment at SFO: _____

End date of assignment at SFO: _____

Authorized Signer Name: _____

Signature: _____

Contact Phone Number: _____

Date: _____

**Applicant must be a valid driver's license holder and a copy of the applicant's out of state driving record (dated with the last 30 days) must be submitted along with this request. In addition, the applicant understands that extensions will not be approved unless a copy of the out of state driving record is submitted every six months. Driving privileges are subject to suspension or revocation if driving records are not submitted.*
